

PARK AND ROOM RENTAL COVID-19 GUIDELINES
Effective April 16, 2021

During the COVID-19 pandemic, the safety of our patrons & staff remains a top priority for the Hazel Crest Park District. Until such time as deemed safe, we will continue to follow and maintain all State of Illinois and Center for Disease Controls recommendations and guidelines for both inside and outside gatherings.

Guidelines for the rental of rooms and parks will be limited in capacity guidelines along with the requirement of masks and social distancing.

Coronavirus (COVID-19) Cancellations

- Outdoor permit events are limited to 100 people or fewer.
- Indoor room rentals are limited to 50 people or 50 percent of the room's capacity, whichever is lower.
- Hazel Crest Park District staff will contact permit holders with the option for a full refund or an account credit to be used within one year of original rental date. Late and change fees will not apply. Refunds will only be issued in the event that State or Local COVID-19 public health guidelines require the Hazel Crest Park District to cancel your permit.

Renter also agrees to abide by set forth guidelines below:

- The Hazel Crest Park District will disinfect indoor rental areas and restrooms prior to the event.
- Room set-ups will be required to comply with social distancing requirements.
- Indoor and outdoor water fountains remain closed.
- Rental rooms are equipped with hand sanitizer stations for use by event attendees.
- Outdoor park restrooms remain closed.
- Renters will ensure that attendees abide by the wearing of masks during the event.
- Renter agrees that if a room or picnic rental does not follow current guidelines, the Hazel Crest Park District reserves the right to end the event at any time and renter will forfeit all deposits and rental fees paid.
